WRISTBANDS & SOUVENIR PROGRAM

Stuart Cullen, your coach driver, will have your wristbands and programs on board the bus.

Wristbands are required for all other performances/venues.

BE CAREFUL, not too tight. BE CAREFUL, don't lose them!

Wristbands will be difficult (not impossible) to replace, during Festival time. This can only be done at the Visitor Information Centre, 100 Murphy Street.

FOOD & WINE

Wangaratta gets very crowded at Jazz time so please take advantage of our food and wine vendors located in Reid Street or at the Hot Jazz Cafe in Ford Street. We have also increased the number and quality of vendors at the Blues Marquee, so take a stroll and cross the river for a gourmet meal in Apex Park (open from 6pm on Friday 30th).

BE KIND TO US

This event is run by volunteers from the Wangaratta community. It is not their fault if the queues are long, if it rains, if it is too hot in the sun, if the venues are full, if your wristband is too tight, if you haven't eaten, if you can't find your friends, if your car breaks down, if the bus runs late, if you have a headache, or if you don't like the music.

Please be kind and courteous to our wonderful volunteers,
in return for their generous donation of time and effort.
Also be kind to the staff at the Visitor Information Centre as they do a great job in
sometimes trying circumstances to support our Festival and to support you.
Thanks – we do hope you enjoy the music!
